PREFACE

The entrepreneurial volume of world Punjabi writers is an attempt to enhance under standing cooperation between all Punjabi writers committed to common ideals of international understanding, peace and Universal love. Definitely this is not a definite work but a definite effort towards definite goal.

'World Punjabi writers who's who' is a venture in a new field till date an unexplored. Our sole aim in this has not been merely to provide information, but make it as detailed as possible and present it with accuracy with better methodology.

This is unique in its nature and context as far as Punjabi writers are concerned. The who's who is not meant for a selective, one except that it was to cover only writers but not authors. A writer by dictionary means is "one who writes, compiles or produces a literary composition as a profession." According to another dictionary "one who engages in literary composition as a profession." The only criteria for the eligibility of an entry in the who's who was that a writer should have published at least one book in any branch of Punjabi literature, creative or critical.

Writers who have published their literary works only in journals and magazines but have been unable to bring them in book form, had also been left out.

But inspite of my earnest efforts, the maximum number of entries I have been able to collect is about 616. I must confess to regret that I am not really happy with this score. No compiler however, big he may be or his resources, can reach to the last writer but has to depend to a large

extent, upon the writers themselves to come forward to make a project of this nature.

A work of this nature, magnitude and complexity is bound to take considerable time in process, some of the writers covered in the volume have passed away, some others have changed their residences, professions or might have been retired from service, making the address entered in this volume obsolete, for which I regret my sincere efforts.

The Principle followed in this unique editing of the entries under each of the heads detailed below in their respective order:-

- (a) **NAME** (Shown in Bold Cap) the writer have been clearly requested to give their middle name first. The method followed by alphabetization only.
- (b) **PEN NAME** (Shown in Bold Cap) Many writers have more than one pen-name. But in this book only first pen-name has been shown.
- (c) **ACADEMIC DEGREES ETC** (Shown in Small Caps) Generally, All academic Degrees, Diplomas and such qualifications stated by a writer have shown in the following styles:
M.A; Ph.D.
- (d) **DATE OF BIRTH** (Preceded by the abbreviation **b**). The date of birth complete with the month and year have been shown in the standard Gregorian Calendar.
For example: 20-04-1946 has been shown thus.
April 20, 1946.
- (e) **DATE OF DEATH** (Preceded by the abbreviation **d**) If a writer is expired, his date of death is given in

- brackets following the date of birth.
- (f) **PLACE OF BIRTH** (Preceded by the abbreviation B.P.) Place of birth is further specified by the district and the state, it falls in, such details as Tehsil, dist etc have been generally omitted.
- (g) **PROFESSION** (Preceded by the abbreviation Prof) If the details regarding the profession of a writer contained in the address itself in the termination of entry. In case retired person or those shown as Teaching (retd).
- (h) **AWARDS AND PRIZES** (Abbreviated as A&P) Awards and prizes received from the state Govt, India Govt or the Country in which the writer is living now-a-days.
- (i) **EDITOR** (Abbreviated as Ed) All the writers who are editing or have been editors to some daily, fortnightly, monthly, bimonthly, quarterly, and six monthly have been shown as Ed. This is followed by the name of the paper/Magazine/ Journals/ Periodicals of that state/ Country.
- (j) **PUBLICATIONS** (Abbreviated as Publs) Firstly total number of publications of a writer including Translations, compiled or edited works etc is stated in the brackets. This is followed by any ten books or so, along with the date of publication.
- (k) **ADDRESS** (Abbreviated as Add) Full postal address, complete with the name of the state or the pin code has been provided.

I would like to thank late Dr. M.S.Amrit, K. Satchi danandon, Dr. H.S. Dilgeer, Dr. Syed Akhtar Hussain Akhtar, Iqbal Qasier, Dr. T.S.Gill, Fradee Joseph and Dr. K.S.Inqulabi (Associate Editor), whose works provided a

specialist service in this venture. I offer my appologies to those, who do not figure in this treatise and request them to send biographical notes to incorporate in next edition.

My wife Paramjeet Kaur, daughter Swaijot kaur and son Taranjot singh deserve my special thanks for their assistance in the preparation and arrangement of the in dexes.
